

Sample Bathroom Scope - Prototype Format

DEMO ONLY - Replace with a sanitized real TriCoast project before public launch.

This file demonstrates the intended resource slot in the recruitment funnel. No fabricated labour prices are shown.

Line item	Scope description	Partner labour
Demo 01	Remove existing tub/shower components	Use approved market value
Demo 02	Prepare wall substrate for finish system	Use approved market value
Demo 03	Install approved tub/shower system	Use approved market value
Demo 04	Install floor finish per project scope	Use approved market value
Demo 05	Install vanity / fixtures / accessories as scoped	Use approved market value

The live recruitment version should show an actual sanitized scope exactly as the Renovation Partner would receive it, including the line-item labour values for the relevant market.
